Re: Street Lights

A concern was brought to my attention regarding street lights being out. With the coming of winter and the days getting shorter this is a safety concern I would like to address at this meeting. There are 4 lamp posts not operating in the area near the Monument by the public library. There are also lights out on the Veteran's Memorial Bridge on Route 2.

I would like to have this paper submitted to the Public Safety Committee.

Respectfully submitted,

Jenny Breen
