RE: National Grid "Petition for Pole Location"

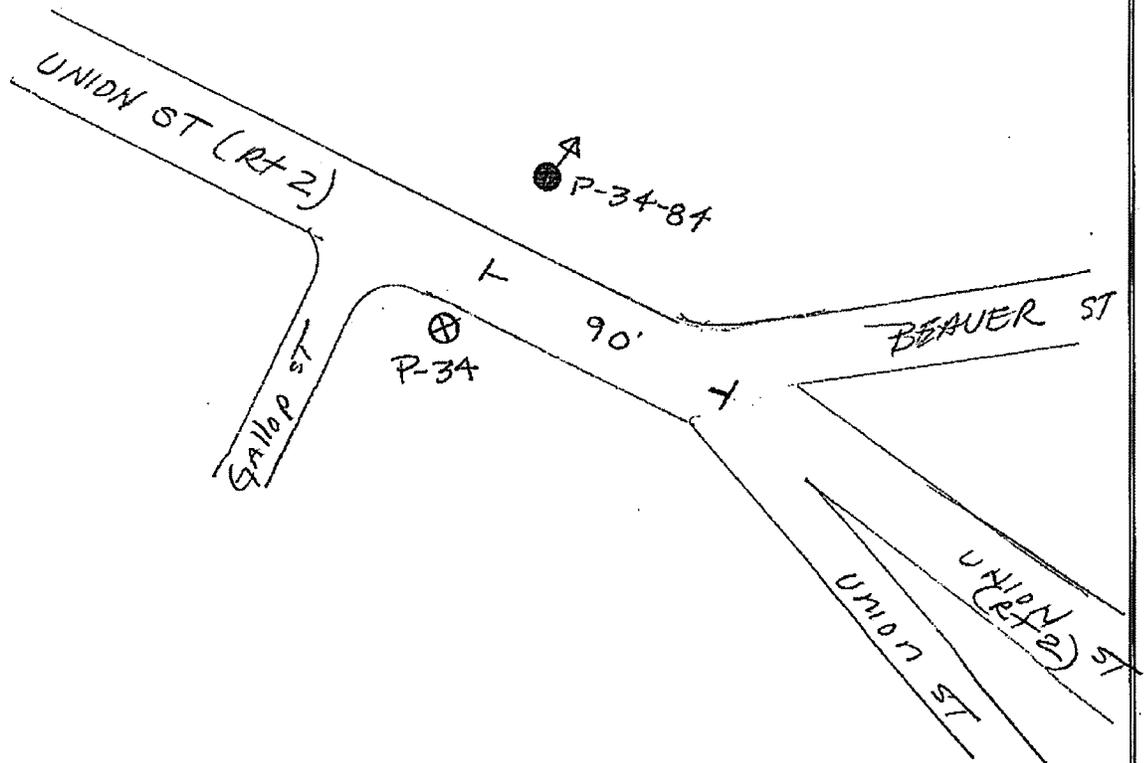

To North Adams City Council,

I have reviewed the "Petition for Pole Location" from National Grid and inspected the site on Union Street as described in the petition. I recommend National Grid proceeds with the project as described in the petition 15273758 to the City Clerk dated 9/23/13.

Any questions please feel free to call my office a 413-662-3000 X3047

Sincerely,

Tim Lesarbeau  
Commissioner of Public Services

**PETITION FOR POLE AND WIRE LOCATIONS**

North Andover, Massachusetts

To the City Council  
Of North Adams Massachusetts

NATIONAL GRID requests permission to locate poles, wires, and fixtures, including the necessary sustaining and protecting fixtures, along and across the following public way:

Union St- National Grid to set one Sole owned Pole #34-84 to bring power to City Owned Traffic light @the intersection of Beaver & Union St. The location begins at a point approximately 90 feet NW of the centerline of the intersection of Beaver St.  
Location approximately as shown on plan attached

Wherefore it prays that after due notice and hearing as provided by law, it be granted a location for and permission to erect and maintain poles and wires, together with such sustaining and protecting fixtures as it may find necessary, said poles to be erected substantially in accordance with the plan filed herewith marked – Union St-North Adams Massachusetts

~~15273758~~ September 23, 2013

Also for permission to lay and maintain underground laterals, cables, and wires in the above or intersecting public ways for the purpose of making connections with such poles and buildings as each of said petitioners may desire for distributing purposes.

Your petitioner agrees to reserve space for one cross-arm at a suitable point on each of said poles for the fire, police, telephone, and telegraph signal wires belonging to the municipality and used by it exclusively for municipal purposes.
